## Let's get started!!!

Hi, everyone! It's finally April. Along with the month of April can come a lot of showers that will bring many May flowers. I can't wait for the daffodils to bloom once again. The weather has been very crazy here in New England. A Blizzard in MARCH!!!

Easter is around the corner, and there are so many things to share with you for a great Easter basket to wow him and her! Let's not forget the Kids, too! =D

## Gabi's What Knots and More Update:

At this time, I have been looking into several suppliers for some cool home, beauty, and fashion accessories. Along with some really cool Kawaii trinkets and possibly some Asian treats. ☺ Sounds exciting!!! Don't forget my awesome stuffed

crocheted animals. In addition to these cool happenings, I started a job as an online ESL tutor teaching young children between 5-12 English. So far it has been quiet fulfilling. More on that soon.

Now off to April/Easter sales and awesome gifts.

**Jamberry-** This month Jamberry introduces the Peanuts Collection. Wear all your favorites, including Snoopy and the Gang, on your

finger tips with our unique and exclusive vinyl wraps. I adore these wraps and felt super excited to see them.

Also check out the For Peep's Sake wraps; these are absolutely adorable! Coat any

of these wraps with a clear sparkle gel top coat and the wraps will extend their life for several more weeks. All of these products would make a pleasant Easter surprise.

**Perfectly Posh-All Natural Products that your skin will thank you for. =D**

As always, I love my Posh products and they have some great Easter Basket items to share with you.

My April picks for Perfectly Posh are the following products:

1. Indigo Girl Body Butter- \$22
2. All Mix'd Up fragrance Bath Salts- 6 for \$24 (Spotlight product- Love Story bath salts)

3. Big Fat Yummy Hand Cream in Oh, Snap! (Grapefruit scent) YUM!!!

## AVON- Campaign 9

This month Avon has some cute products for Easter. We are also highlighting some new Mother's Day products, too.

I love new Love Everlasting Collection (p9) and sparkling Cubic Zirconium necklace. Great

gift for Birthdays or Mother's Day.

Check out the great selection of fragrances available for men on pp 44-45. There are some great deals in this campaign.

On pages 94-97, the Nutraeffects facial creams, which are hypoallergenic and contain SPF protection, are 2 for \$30. Don't forget to check out our other anti-aging ANEW products we carry.

In jewelry, we have cute inspirational statement products. I love the Blue ShaKy Cross Necklace (2 for \$22). It's a different product you won't see anywhere else.

In fashion, the Floral Wrap dress catches my eye (\$24-\$29). It's

very flirty and spring-like.

### AVON's MEETMARK-

In Meet Mark, I have to say I love the cute Never Grow Up Top and Pretty and Pleated

Skirt. Combine them for that classic school girl look that I just adore. Coming soon... in campaign 10, Meet Mark is rolling out a new makeup line. So make sure you stay tuned for that.

#### lettuce serves you

There's something irresistible and unbelievably chic about this lettuce tableware. We love how it adds an unexpected twist to an otherwise ordinary table.

LETTUCE BOWL

12-123 \$19.99  
LETTUCE PLATES  
Color: 2 different sets, 7" diam.  
123-149 \$19.99

### AVON LIVING-

Lastly, what I love about AVON Living are the cool decorations and home accents that

they carry. There's something new each season.

I have to mention, this month I love the Lettuce Plates and matching bowls, along with the Blossom Bowls, which resemble flowers. Combine the Lettuce plates and Blossom Bowls for a "blooming" spring dinner table. These are festive and just make you get into the spring spirit. These dishes will be sure to get compliments.

There is so much more in AVON. Just ask me for more details about what AVON, AVON Living, and Meet Mark has to offer.

**When are orders due?** Make sure to get your orders in by **April 11** with me for any of the products mentioned above.
